

# Conveyor belts

**Drawing on years of knowledge and experience in the laundry sector, our specialists develop conveyor belts with just one aim in mind: to transport laundry efficiently.**

## **What are WSP's conveyor belts?**

At WSP, conveyor belts are specially designed to transport laundry to specific locations. Our specialists always deliver custom work so that the belt seamlessly adjoins the next section. These robust conveyor belts meet all safety requirements and need little maintenance.

## Features

- Conveyor surfaces geared to laundry and situation
- Specially designed to transport laundry
- Suitable for soiled, heavily soiled and clean laundry
- Suitable for heavy industry, such as barrier mats
